

Vereinbarung über ein Auslandspraktikum

Englisch

CONTRACT CONCERNING TRAINING ABROAD

The company seconding the apprentice (entsendender Lehrbetrieb)

owner / company

address

and the company offering a training internship abroad (aufnehmender Praktikumsbetrieb)

owner / company

address

agree on this contract concerning apprentice (Lehrling/Secondee)

first and family name

Austrian Social Security Number (Sozialversicherungsnummer)

number of apprenticeship contract (Lehrvertragsnummer)

1. Duration and purpose of the internship training received abroad

The internship training period begins on _____ and ends on _____ .

The internship training abroad serves to supplement and complete the training already acquired during the apprenticeship. The internship training abroad is considered part of the training period regulated by Austrian Training Regulations. Austrian Law applies. Place of jurisdiction is the place of the seconding company's business location.

2. Status of the apprenticeship during the internship training

During the training period the apprenticeship contract between the apprentice and the seconding company remains in force. The seconding company remains obliged to pay the

apprentice's remuneration and Austrian national insurance contributions. The apprenticeship is not subject to national insurance of the host country.

3. Consent of the parents / legal guardians and apprentice

The parents / legal guardians of the minor apprentice agree to the internship training abroad (waived if the apprentice is not a minor).

The apprentice agrees to the internship training abroad and confirms to be informed about the purpose and conditions of this training.

4. Application of Austrian Law

The company offering the internship training abroad will observe Austrian working and social regulations. In particular, it will respect the Austrian Act on Child and Adolescence Labour (Kinder- und Jugendlichen-Beschäftigungsgesetz) as well as the Decree banning employment of children and adolescents (Verordnung über Beschäftigungsverbote und -beschränkungen für Jugendliche).

The company offering internship training abroad will educate the apprentice to its best ability and will convey all identified training content to the apprentice. Employment of an apprentice beyond this contract is prohibited.

5. Training Content

The training will take place in the following areas of the company and covers the following content:

date

seconding company

company offering training abroad

parents/guardians (minor apprentices only)

apprentice
